QUALITY GROCERS.

Governor Willson has appointed Postmaster Homer B. Bryson of Carlisle one of the delegates to the Seventeenth National Irrigation Congress to be held at Spokane, Wash., August 9th to 14th.

Failure to inclose tinselled or frosted postcards in tightly sealed envelopes to prevent the escape of particles of tinsel, mica and the like, as required by the postal regulations, is causing from 15,000 to 20,000 of such cards to be withdrawn from the mails and sent to the dead letter office of the Postoffice Department at Washington every day. The tinsel escapes into the air in postal cars, thereby using inflammation of the eyes of mail clerks.

EVER HAVE IT?

If You Have, the Statement of This Maysville Citizen Will Interest You

Ever have a "low-down" pain in the back? In the "small" right over the hips? That's the home of backache. It's caused by sick kidneys. That's why Doan's Kidney Pills cure it. Maysville people endorse this. Read a case of it:

Frederick Drosel, 1238 East Second street, Maysville, Ky., says:

"I consider Doan's Kidney Pills to be a most excellent remedy for kidney trouble and am only too glad to speak in their praise. About five years ago I was bothered by weak kidneys and the secretions were scanty and attended with pain during passage. Severe pains across the small of my back were frequent and at times greatly interfered with my work. While telling a friend of my condition, he advised me to use Doan's Kidney Pills and I procured a box at J. J. Wood & Son's Drugstore. I used them according to directions and they afforded me prompt and effective relief."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

While other forms of Artificial Lighting have been content to twitter with bird-like repetition "cheap, cheap, cheap," Electric Light has been loudly singing the praises of its sun-like glow and whiteness. Stamped on the public mind as the "Light of Quality," with the advent of the Tungsten Lamp it now challenges comparison of efficiency and cost.
